Grecian Marble Burglary

Folks, this guy is certainly a determined burglar. He tried for some time to force his way through the locked front door of the Grecian Marble and Granite office in the 800 block of SW 7th. Eventually he gave up on the front door and made entry through a garage door. I paused the video for a few seconds to allow for a better look at his tattoos. Anyone with info should call Crime Stoppers at 405/2...
